PROFILE

I am Nihal Prasad, a Computer Engineering student and aspiring UI/UX designer with a strong passion for creating intuitive and engaging digital experiences. Combining my technical background with design skills, I enjoy exploring user research, wireframing, prototyping, and usability testing to deliver solutions that are both functional and visually appealing. Proficient with tools like Figma, Adobe XD, and Miro, I aim to bridge design and technology while continuously learning and creating impactful solutions.

WORK EXPERIENCE

CONCEPT SIMPLIFIED

2030 - PRESENT

UI/UX, GRAPHIC DESIGNER & VIDEO EDITOR

- Designed digital graphics, social media creatives, and marketing materials aligned with brand guidelines.
- Edited promotional videos, reels, and explainer content to enhance brand storytelling and engagement.
- Collaborated with the creative team to conceptualize design ideas and deliver visually appealing content.
- Gained hands-on experience with tools such as Photoshop, Illustrator, Premiere Pro, and After Effects.
- Contributed to improving visual consistency and audience reach through design and multimedia solutions.

CESA VIT

2024 - 2025

CREATIVES CORES

- Led the creative team in designing posters, banners, and digital content for college events and initiatives.
- Conceptualized and executed visual campaigns to boost student engagement and participation.
- Collaborated with event coordinators to ensure designs aligned with themes and communication goals.
- Strengthened skills in teamwork, leadership, and creative direction while managing multiple design tasks.
